Education

Bachelor of Technology in Computer Science   Jun 2020 – Jul 2024
Dr Akhilesh Das Gupta Institute of Technology and Management, India   9.3 CGPA

12th, C.B.S.E   Apr 2019 – Mar 2020
Guru Harkrishan Public School, India   94.8%

Professional Experience

CodSoft 🔗   Jul 2023 – Aug 2023
Web Developer Intern
- Internship experience focused on web development projects.
- Created a portfolio website using React.js to showcase skills, projects, and experiences.
- Developed a modern and responsive user interface using React components and CSS styling.

Projects

Github Finder 🔗
Github 🔗
- Developed a web application called GitHub Finder using **React.js** and **Tailwind CSS**.
- Implemented a **search feature** to search for GitHub users by their username.
- Displayed **user details** such as name, bio, location, followers, and more.
- Provided a list of the **user's repositories** with details like name, description, and creation date.

Shortly - Url Shortner 🔗
Github 🔗
- Developed a dynamic web application using the **Shortly API** for URL shortening.
- Implemented user-friendly features for easy **link copying** and seamless **local storage** integration.
- Showcased problem-solving skills in handling complex URL manipulation and delivering a responsive user interface.

Tip Calculator 🔗
Github 🔗
- Developed a user-friendly and efficient **Tip Calculator** web application with a sleek and intuitive user interface.
- Implemented the functionality to **accurately calculate tip amounts** based on bill total and allow **easy splitting** of expenses.
- Integrated robust **error handling** to ensure the application performs reliably and gracefully **handles invalid user inputs**.

Skills

- Languages: C, C++, JavaScript
- Frameworks: React.js, Express.js, Bootstrap
- Database: MongoDB
- Tools: Git, VsCode

Profiles

- *LeetCode* 🔗
- *CodeStudio* 🔗
